

The Phoenix Summary Budget 2003-04

City Employees Give Back to the Community

Even in these challenging economic times, the generosity of city employees continues to shine brightly. Our core values -- what we call our Visions and Values -- guide us not only in doing our jobs every day, but in many cases the way we live our lives. We are proud of what these statements say about us.

- ▶ We are dedicated to serving our customers.
- ▶ We value and respect diversity.
- ▶ We work as a team.
- ▶ We each do all we can.
- ▶ We learn, change and improve.
- ▶ We focus on results.
- ▶ We work with integrity.
- ▶ We make Phoenix better!

We care about our community and our dedication goes beyond the scope of our day-to-day duties.

This past year city employees raised a record \$1.1 million for the Community Service Fund Drive benefiting nearly

500 health and human service programs in the Valley of the Sun. We collected more than 12,000 pounds of food, donated more than 1,000 units of blood, adopted hundreds of families for the holidays and collected countless articles of clothing and supplies for children and the homeless.

Thanks to the dedication of one employee, a young child received the free services of a medical team for life-saving heart surgery. Many other employees work to improve the quality of life for people facing life-threatening illnesses, those with disabilities, at-risk youth, seniors and more.

Like so many in the community we serve, our employees give generously of themselves, their time and money to help those in need. We are part of this community and making Phoenix a better place to live and work is our bottom line.
